Why is Dermasurgery different?

Dermasurgery provides a holistic approach to your skin's appearance and health, with your individual needs always first. Directed by Doctor Betssy Hazoury McCollum, Cosmetic Dermatologist and Dermasurgeon, and Doctor Daisy Ventura, Dermatologist, our medical team specializes in laser and radiofrequency treatments (non-invasive skin tightening and rejuvenation, tone, streamline, sculpt) and cosmetic surgery (eyelid surgery, remodeling of the navel, liposuction, tummy tuck, breast augmentation, cancer diagnosis and removal). The combination of state of the art technology and an elegant, professional medical environment provides not only effective, but also pleasant and safe treatments and procedures.

Ambulatory laser & surgical facilities accredited under the strictest professional standards;
One of the most complete and advanced laser & skin care centers of the Caribbean;
Medical grade technology: three different LASER types, SmartLipo, Radiofrequency, Lipomassage.
All our treatments are personally directed by Dr. Betssy Hazoury McCollum, Dermatologic Surgeon specializing in cosmetic dermatology & laser, at the Center for Cosmetic Dermatology, Univeristy of Miami; Dr. Daisy Ventura, Dermatologist; Dr. Ana Cruz, Dermatologic Surgeon; Dr. Angel Taveras, General Surgeon and Oncologist; Dr. Julio de Peña del Valle, Plastic Surgeon; Dr. Patricia Belis, Dermatologist; Dr. Wander Vargas, Anesthesiologist.
By having different professional approaches and state of the art technology in hands of the country's best skin care specialists and surgeons, Dermasurgery offers you a wide range of possible solutions and alternative treatments for your clinical or esthetic condition. Dermasurgery stands for guaranteed results under the best specialized medical supervision available in the Dominican Republic.
